The Hershey Games District Meet is behind us now, but a lot of children are left with good memories, experiences, and a lot of awards of which they are rightfully proud. The Hershey Games provide two field events (softball throw & standing long jump (SLJ)) and a myriad of track events for children between the ages of 9 to 14. The 1st and 2nd place winners in each event for their age group at our district meet are eligible to compete in the State Hershey Meet. In addition to the 1st – 6th place award ribbons provided by Sigma Marketing, the Florida Striders provided T-shirts to the 1st & 2nd place finishers in each event, which they can wear to the State Meet or just to show off a bit. Summer will soon be here! Along with the longer days we also get the wonderful heat and humidity that we love so much!

I don't know about you, but I am beginning to miss those Sunday morning runs where I lose two or three pounds in water weight. Remember that hydration must be a constant practice for runners. Hydrate throughout the day, every day. Alternate between sports drinks and water during the summer and always follow a run in that kind of heat with your favorite sports drink.

The heat in Florida is challenging, I know, but tolerating it is all about attitude. Continue to run. Slow down the pace a little, and keep it up throughout the summer. Remember to pay attention the signs of heat exhaustion:

- · Headaches, dizziness, lightheadedness or fainting.
- Weakness and moist skin.
- Mood changes such as irritability or confusion.
- Upset stomach or vomiting.

### Board of Directors' Minutes

5/13/2008

The meeting was called to order by Dave Bokros at 7:10 p.m. Directors present were Dave Bokros, Vicky Connell, Janis Dolembo, Mike Ford, Glenn Hanna, Kellie Howard, Keith Poythress, Mike Mayse, Regina Taylor, Regina Sooey, John Steinberg, Mary Ann Steinberg, James Vavrina, and Kay Womack.

Welcome to New Board of Directors: Dave welcomed all the new board members and encouraged them to offer their opinions on topics of discussion.

**Nomination of Club Officers:** Mike Mayse presented the nominations for officers as follows: President - Dave Bokros; Vice President – Kellie Howard; Secretary – Vicky Connell; Treasurer – Janis Dolembo. Mike made a motion to accept these individuals, seconded by Keith Poythress. The motion was passed unanimously.

**Minutes:** There were no changes to the April minutes. Vicky explained to the new board members that after each board meeting, she will send out a draft version of the minutes to everyone. She asked that each member review them carefully and let her know if any corrections need to be made. She will wait about a week for corrections and then send the final version to all board members and to be printed in the Strideright.

**Treasurer's Report:** Janis Dolembo reviewed the Treasurer's report, noting that the Hog Jog and River Road Resolution accounts were now closed out. Keith Poythress asked about the CD which was coming due this month. Kay Womack moved that Janis find the best CD rate available and roll it over. It was seconded by Kellie Howard and passed unanimously.

**Proposed Memorial Day 5K Budget:** Dave reviewed the Memorial Day 5K budget, pointing out that Garber Auto is not a sponsor this time because they need to get notice by December. He also pointed out that 6 extra portalets have been added, and more t-shirts ordered to accommodate a higher attendance. He is using 18% as the estimated additional attendance. A new sponsor this year is BodyWise International with a contribution \$1250, which was split between the four race directors. This is a vitamin supplement company out of California. Mike Mayse stated he is re-

placing the posters with glass signs for the race.

# **Fiftieth Running Anniversary**

Who could have guessed it? In the spring of 1958, Glenn McElwee, a 7th grade English teacher and basketball coach, introduced about

125 kids to the sport of track and field. For two weeks, he held clinics and time-trials for the various events. Then—the Seventh Grade Olympics!

I won a blue ribbon on the 4 x 220 yard relay team, placed fourth in the high jump, and—still one of the big disappointments of my athletics life—sixth in the 440 yard run. (In time trials, I had placed no worse than third and actually thought I could win.)

It was a start. And here I am, fifty track seasons later, still at it. Still enthusiastic. Still eager to share the message with anyone who is interested.

There have been some years without races on the cinders (or paved or rubberized tracks). And, like many inherently slow trackmen, I have pursued challenges on the roads, trails, and highways.

Before leaving high school, I was a coach, of sorts. "You other distance men just follow Birmingham," Coach Maple said. "He knows what he's doing."

I didn't know much then and just a little more now. Somehow, the passion still rises up from within for my own, and other people's, running. And like the rat in the box that only gets rewarded intermittently, I stubbornly persist.

Please indulge me, then, in a little journey through some highlights of five decades of running and coaching memories.

- 1959 First win, 880 yard run, 8th grade.
- 1959 Won varsity letter in track, 9th grade.
- 1963 Won Conference championships, mile and 880.
- 1964 Ran first road race (4 miles, Columbus, OH)
- 1965 Joined Ohio Valley Track Club in Cincinnati, ran first cross country race.
- 1966 Ran first marathon, Heart of America, Columbia, MO
- 1967 PRs in mile, 880, 3-mile. Competed in NAIA championships, steeplechase. Ran Pikes Peak for first time; first 50-mile training run
- 1968 First Boston Marathon
- 1969 First full-time teaching/coaching position, Kenton, OH
- 1973 Moved to Florida
- 1975 Ran Grand Canyon on 30th birthday
- 1976 First New York City Marathon; competed in AAU national marathon
- 1977 First attempt to run across America
- 1978 Marathon PR, Boston; started coaching at Episcopal High School
- 1980 Los Angeles to New York City run
- 1981 Death Valley to Mt. Whitney Run
- 1982 Ft. Kent, Maine to Key West, FL run; Florida girls CC Coach of the Year
- 1985 Ran Grand Canyon on 40th birthday
- 1991 Graduate school and coaching assistant, Adams State, CO

### WIDE WORLD OF RUNNING By Jay Birmingham

- 1994 Started coaching at Dana College, NE
- 1995 Ran Grand Canyon on 50th birthday
- 1996 NAIA National men's cross country coach of the year
- 2004 BadwaterUltra, Death Valley, PR by 9 hours, 44 minutes; Started teaching and coaching at St. Johns Country Day School
- 2005 Ran/walked Grand Canyon on 60th birthday
- 2008 Selected to compete at BadwaterUltra, July 14-16

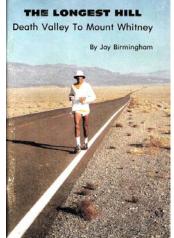

Running is its own reward. As my slow-twitch endowed legs get ever slower, the joy of training surpasses the excitement of competing. Personal records are far apart. The only PR I can count on now, is to get out and log another mile.

The sights, sounds, and smells of running are more appreciated than ever in my youth. Once, I could keep pace with the occasional rabbit; now, I enjoy closing the gap on an armadillo. Does honeysuckle smell sweeter when it takes longer to run past it?

Will I reach 60 years of running? Perhaps I can avoid the career-ending injuries that have befallen dozens of my comrades.

From my perspective as a lifer, every mile has been worthwhile; and it will be worthwhile to keep on my feet as long as I can.

Jay Birmingham has been a contributor to the StrideRight for several years.

the event can be found on our website, www.FloridaStriders.com. Special awards were also made to the Most Outstanding Performer in each age group and these individuals are listed below. A special thanks to Ken Remson for taking all those great photos and Vanessa Boyd and Kristen Hughes for putting them on the website. With such a well-organized, high quality meet available at no cost to our young athletes we hope to continue to grow attendance in years to come. We had 115 pre-registered athletes. This is just below the record of last year, when the State Hershey Meet was in Gainesville, rather than Miami, as it is this year. The meet moved very smoothly on Saturday, May 10th, finishing about 2 hours earlier than the year before, an amazing improvement and what I would consider a "PR" performance. Fun, Fast, & Fair was the plan for this year and we nailed it with the help of an excellent all-volunteer team. All of our volunteers are listed below but I want to mention several of our coordinators. Kim Hoyt not only worked with me through the event planning, but served as Clerk of the Meet and organized a **Continued on next page**

great group of Orange Park High School volunteers. Carol MacDougall handled all of the pre-registration, with Katie Maffeo's assistance). Kim Lundy raised the quality bar and comfort level for many by providing a Florida Strider refreshment concession stand for the meet. Mike Ford was the standing long jump event coordinator, started all the track events, and provided much of the equipment. James May coordinated the softball throw event, also provided equipment, volunteers from his church, and coordination with the Hershey National organization. Cathy Rangeo did a great job handling announcements for our meet and NCAA Hurdle Champion, Josh Walker, presented the awards to our young athletes. Dave Bokros coordinated the track event timing. Glenn Hanna and Vicky Connell, coordinated Long Jump & Softball throw events in addition to other duties that morning. We wish to especially thank Orange Park High School for the use of their fine facility. I have the nagging feeling that I have overlooked one or more of the contributors that made the 2008 Hershey Games a big success so please accept my apologies in advance. All of our volunteers, sponsors, and the Florida Striders in particular should feel very good about helping make a positive difference in the lives of the children in our community.

### Most Outstanding Performer By Age Group Awards to:

9-10 Girls - Ann Marie Ortega, Fleming Island Elementary (1st in 50, 100, and SLJ with meet records in 50 and 100)

- 11-12 Girls Antonia Marshall, Tynes Elementary (1st in 200 and 400, 2nd in SLJ)

- 13-14 Boys Aaron Armstrong, Oakleaf School (1st in 100, 200, and SLJ with meet record in SLJ)

## Running Class Graduates!

#### By Bob Boyd

It is hard to believe that 10 weeks of class have already flown by (I am writing this on Saturday, May 24th). Our bodacious class celebration picnic is just over and the Memorial Day 5K graduation race is imminent. It was literally my pleasure to award class T-shirts at the party. We were able to upgrade to technical wicking shirts this class and, thanks to Tori Connell who designed the logo, they are extremely good looking as well. I am going to share the names of our athletes and our all-volunteer team of group leaders, speakers, and support team again, as our group has expanded since the first article at the beginning of class. The fine group of volunteers listed below gave generously of their time and talent to make the class not only possible, but a success. I am proud of all of our athletes for their good work, both in class and on their own, who have made running a regular part of their lives. There is no lack of time challenges in our busy world, but I do want to make special note of those athletes who found a way to attend 70% or more of the classes, noted with an asterisk beside their names below. For those who managed to achieve 100% attendance a double asterisk is noted by their names. I have always found runners to be a great group of people. The athletes who have attended our class not only resemble that remark, they make a wonderful addition to the Florida Striders, already an awesome group.

I am inspired by our athletes, many of whom will be in their first races on Memorial Day. For those who have raced before, I suspect we will see more than a few PR's out there. Our athletes have put in the work to improve their conditioning and it shows. I hope to see them all continue to come out to our Wednesday and weekend group runs for many, many years to come. I also wish to express again my deepest thanks to the wonderful team of group leaders, speakers, and support team who did such a wonderful job with our athletes each week. Special thanks are due to St. Johns Country Day School for the use of their fine track facility on Wednesday evenings and Ridgeview Elementary for hosting our class party, which you can see on our website at www.FloridaStriders.com.

Dave added this to the regular budget under equipment expenses. Kay Womack moved that we accept the race budget as presented, Kellie Howard seconded. The motion was passed unanimously.

Kids Camp Update: Vicky Connell let the board know that registration is rather low at the moment, but she is still expecting a lot more to show up. Dave said he would send out an email to the Striders extending the deadline to May 30th. Mary Ann asked Vicky to send her the flyer so she could send it out as well to her contacts. Vicky stated that she is doing pretty well for volunteers right now and the schedule is looking good.

**Grand Slam Update:** Mary Ann Steinberg stated that yesterday JSO stated they wanted the time for the race bumped from 4:30 to 4:15 to help with race traffic. She has 10 people for who have volunteered Course Marshals, and 8 for registration. She mentioned that she has 50 tickets reserved for volunteers and that anyone else who wants to volunteer is welcome. She mentioned the commercials that have been airing on TV which show the Striders as a sponsor.

Socials: 30th Anniversary Picnic -Dave explained to the new board members that we are planning a huge event where we invited all the past presidents and make it a big event. He also said he wants to form a committee to start working on it very soon. John Steinberg volunteered to be on the committee. It will be sometime in September on a Saturday night, a sit down, nice affair. Mike Mayse proposed that we contribute \$1000 from the Strider budget to support this affair. Kellie said we should get some estimates first before we put a dollar amount to it. Everyone agreed that a nice venue downtown would be appropriate, and we need more info to make a decision. Kellie is also on the committee as well as Regina Sooey who has been doing a lot of research on local venues for her wedding.

Glenn said that the Outback Crabshack social has been moved to June 20 instead of July as usual. He also mentioned the picnic at Hannah Park which is July 26th. He said when he called Hannah Park to reserve a picnic area, they were completely booked up. Glenn said he would go there and check out the area to see if there are any other locations we can use. Some suggestions were made to either get some camp sites or just go to the beach. Glenn stated that we need to set up the picnic for camp Blanding. Someone mentioned the Hammerhead Triathlon would be going on in August. Vicky said she would make the reservation and asked for help to assemble all the names.

#### **General Discussion:**

Dave read a letter from one of our scholarship winners. It was a very nice thank you note from Mark Heh.

Mike Mayse thanked and welcomed new members to the board and mentioned thanks to the ones who have moved on.

James thanked Mike Ford for his work on the Hershey Games, and the other Striders which helped out. Dave stated that Bob Boyd did an excellent job running the event.

Kay Womack asked for volunteers for the Memorial Day race.

There was a motion for adjournment and the meeting was adjourned at 8:03.

Respectfully submitted, Vicky Connell .

Pay attention to your running partners. We all like to push hard from time to time. If a member of your group looks like they might be in trouble, take a break, get something cool to drink, and relax. If you are pushing hard, you can progress through these symptoms quickly, so be aware, and don't fell like a whimp if you need to stop!

You can get used to the heat, but the danger of heat exhaustion is always there, so be careful. And remember:

# Strider Running Camp Coming This Summer!

If you haven't heard yet, the Strider's have been busy planning a summer running

camp for youth in 7th through 12th grades. The dates for the camp are June 9th through the 13th, and will run from 8am to noon each day at Ridgeview High School. The purpose of this camp is to develop a love of running for kids who are interested. We will be accepting youth of all ability levels, whether a beginner or experienced runner. We will have ability group runs daily in a safe environment with group leaders. We plan to provide some fun classes where they can learn the basics of running

safely, as well as how to improve and get faster if they desire. We'll also provide a daily snack which will include some information on how to eat more healthfully. The cost of the camp will be \$30, and includes a Strider membership, Strider T-shirt, Strider logo water bottle, and a special running camp T-shirt.

If all this sounds like something you'd like to be involved with, then we need you! The camp will be run completely by volunteers, and there will be lots of jobs to do. If you want to volunteer or just get more information, contact Vicky Connell, the Camp Director at 276-0193.

# **The Back Page**

Hello and a good month wish to all Striders and anyone who cares to join us on a run, or for socials, or for dinner, or for drinks – ah, generally any activity, we enjoy the company – we're a fun bunch. Its definitely starting to warm up. We saw some days hit the 90's this past month, and those will be more frequent as summer revs up. But run and race we must, even if the distances are shorter. Not many races this month, but we did well in those that took place.

On April 26th the Spartan 5K was held at the St. Johns Country Day School. Leading all Striders was Stephen Beard, who won his age group with a 19:39. For the Strider ladies. Regina Taylor posted a solid 20:43 in winning the Masters division, and Gail Polio won the Grandmasters division. In the age groups. 1st place finishes were turned in by George White, Randy Tracy Pfuntner, Sandra Arend, Maveety, Freddy Fillingham, Kay Womack, Al Saffer and Gail Delombo, who ran a personal record (PR). The 2nd place age group Striders included Gordon Slater, Lundy, David Albritton, Marie Dailey (PR), Vicky Dove, Mike Mandt (PR), and Robert Crampton (PR). And coming in 3rd in their age groups were Leslie Jones and April Martin. Also turning in a PR, in staying in her award winning form, and even being another week pregnant, was Shannen Crampton.

The next weekend

found runners at the Duval County Courthouse, and they weren't even in trouble. The Run for Cover 5K on May 3rd found our Strider ladies in top form. Barbara Carrico was the first overall female finisher with a time of 20:21. Maurya Sova ran to a 3rd place overall finish, and Stephanie Griffith won the female Masters division. Anna Wallace and Bonita Golden posted PRs on their way to winning their age groups, while Rebakah Wild was able to win her age group without a PR. Chelle Mahoney turned in a 2nd place age group effort, and Shannen Crampton finished another race, this time taking it a little easier than the previous week's PR effort. On the men's side, Randy Arend led all Striders with a 19:28 and 2nd place age group finish. Strider men running to 1st place age group prizes were George White, Paul Smith, and Al Saffer. Second place age group efforts were pounded out by Stephen Beard, Lewis Buzzell, and, in his 895th race, Joe **Connolly**. And rounding out the age

group award winners with 3rd place age group prizes were **Robert Crampton**, **Ed Kelly** and **Freddy Fillingham**.

The final local road race to report on this month happened in Tinsel Town, with the RITA Cash 5K on May 10th. Twenty-two Striders took home prizes, with Justin Jacobs leading the way by winning the race in 15:56. Regina Miller led the female Strider charge with a 20:58 and Master's division win. Ann Krause complemented Regina's master's win with a Grandmaster's win. Winning their age groups were Bill Dunn, Bruce Holmes, Nancy Harms, Alek Abate, Craig Harms, Al Saffer, Paul Smyth, and Paul Smith (yeah, they're different guys). Pacing to 2nd place age group finishes were Stephen Beard. George White, Sue Whitworth, and Joe Connolly (that should be 896). And with 3rd place age group efforts were Bernie Powers, Leo Sheckells, Chelle Mahoney and Orestez Gutierrez.

Also on the local scene, but with the addition of wheels in one race and wheels and water in another were the **Beaches Fine Arts Series Duathlon** (April 19th) and Triathlon (May 17th). Vicky Connell was the only Strider re-

porting and represented us very well. She won her age group at the duathlon with a 1:11:08 while battling some tough winds, and place 2nd in her age group at the triathlon with a 1:08.00. Nice effort Vicky.

#### Striders – They're everywhere!!

Starting off in Vidalia, Georgia was a brand new Strider, **Claire Gilbert**, running in her first ever race. Claire ran the **Vidalia Onion 5k**, which was part of the Vidalia Onion Festival (hey, Florida has a Strawberry Festival). Claire had a great first race effort, running to a 2nd place age group finish. Congrats Claire and welcome to the club.

Marie and Ken Bendy made a trip to Cincinnati, Ohio for the Flying Pig Half Marathon on May 4th. Marie ran a 2:16:51, and Ken took part in the walking division, posting a 3:35:20.

Down in St. Augustine for the Vilano Bridge Run were Jim and Christine Kehr. They took it in together, each posting a 34:48.

**Frank Sutman** was out and about, making stops in Dallas, Texas and in his home away from Jacksonville in Delaware. In Dallas, Frank was the overall winner of the **Runnability 5K**, which was actually 2.7 miles, with a 16:05. Frank is claiming a PR, simply because he's never run 2.7 miles before. In Delaware, Frank and three others in the Delaware Running Club combined to win the Co-ed Masters division relay at the **Delaware Marathon** with a 2:35:32, which lowered the co-ed

master's course record by seven minutes. Frank's team was the second overall relay team as well, and you can see pictures of Frank and his teammates at http://www.delawarerunningclub.com/. And yes, Frank belongs to the Delaware Running Club, which beckons the question, is there really just one running club in Delaware?, and two in Jacksonville?

And finally, **Karin Glenn** returned to action at the **Ashbury 5K** in Naperville, Illinois. Her time was a somewhat un-Karinteristic 19:54, but she was nonetheless faster than all others, and is now the reigning Ashbury 5K Champion. Way to go Karin, and feel free to thank Frank for letting me know.

#### Tidbits and stuff I missed.

Somehow we missed another accomplishment from AI Saffer. We had his time, but missed the finish in his age group. Al won his age group at Any Way You Can 5K on April 19th at Oakleaf Village. Sorry AI, again.

#### Award

I've decided **Shannen Crampton** gets to keep the nice smug feeling for another month. Send me some nominations folks, let me know of those special efforts that I'm sure are turned in by Striders each month.

That would be all for this month folks. Keep those results and race descriptions coming, and sign the Strider Man at the local races. And as always, train well and be safe. Please get your race times in as soon as possible if you want them published. You can send your times, trash, & trivia by e-mail (preferred) to m.t.marino@clearwire.net or Mike's snail mail 9858 Moorings Dr., Jacksonville, FL 32257
